If you haven't **renewed** your membership, please take this opportunity to kickstart our 2025 season. Your continued membership helps sustain us, and allows us to present these unique salons, exhibits and venues.

Your financial support **matters**. With member's help in 2024 we have finished renovating the Auto bay – and are planning a special Metz exhibit this summer!

Are you able to support our ongoing mission with an additional gift this season? Your gift will go to support and expand our 2025 program. With our deepest thanks, and warm regards for a happy and safe holiday season.
